

16 April 1957

Lakehead Amateur Radio Club

The regular meeting of the Lakehead Amateur Radio Club was held in the Fort William Club Room on Tuesday, April 16th, 1957.

Present were 17 members, one visitor.

Following the roll call and a reading of the previous meeting's minutes, the Chairman Pat O'Shea - VE3FW spoke briefly re co-ordination between Club members and the Duluth Club regarding Civil Defence. Pat had discussed the matter with WØLIG of the Minnesota Phone Net.

It had been learned that some cabins were for sale at Uncle Frank's which might be suitable for a Club House. The matter to be investigated by Choppy Walsh - VE3BPZ, Herman Dalman - VE3DJD and Peter Boyle - VE3DPJ.

Bill Roberts - VE3ARN spoke on the Civil Defence Exercise at Arnprior, Ontario, on or about May 1st. No one from the Lakehead is attending this year in connection with communications. It is expected that next year there will be a representative from Region 7.

A talk and practical demonstration of 2-meter equipment was then given by Harold Dow - VE3DBI. This was interesting and informative. Other 2-meter sets on hand from J. C. (Jim) Bailey - VE3DGZ and Al Fulton - VE3AKI.
